## Communist Control and Propaganda

2. All political matters in Poland are channeled through the Soviet Embassy. Lebediev, the Soviet Ambassador is thus the virtual dictator of Poland.
3. Polish people are so confused by governmental propaganda that they have become somewhat credulous. One Pole, for example, although he had previously lived in England and the US, was prepared to believe Polish newspaper reports that US citizens were being arrested in the streets of US cities during an anti-Communist drive.
